There's something uplifting about it all.

This place is different from the usual. It's liberating.  
The air is sweet.

How should I say this.

What about you, Dear? Will you not be rowdy as well?

Though I feel that she is the same as always

I can understand why she'd be so rowdy.

THAT DOES HAPPEN.

I don't really know how to have fun at the beach...

even if  
we're just  
relaxing  
like this  
...

Still,

I see  
...

I have  
used the  
sea to  
purify my  
body,  
but I have  
never  
played  
in it.

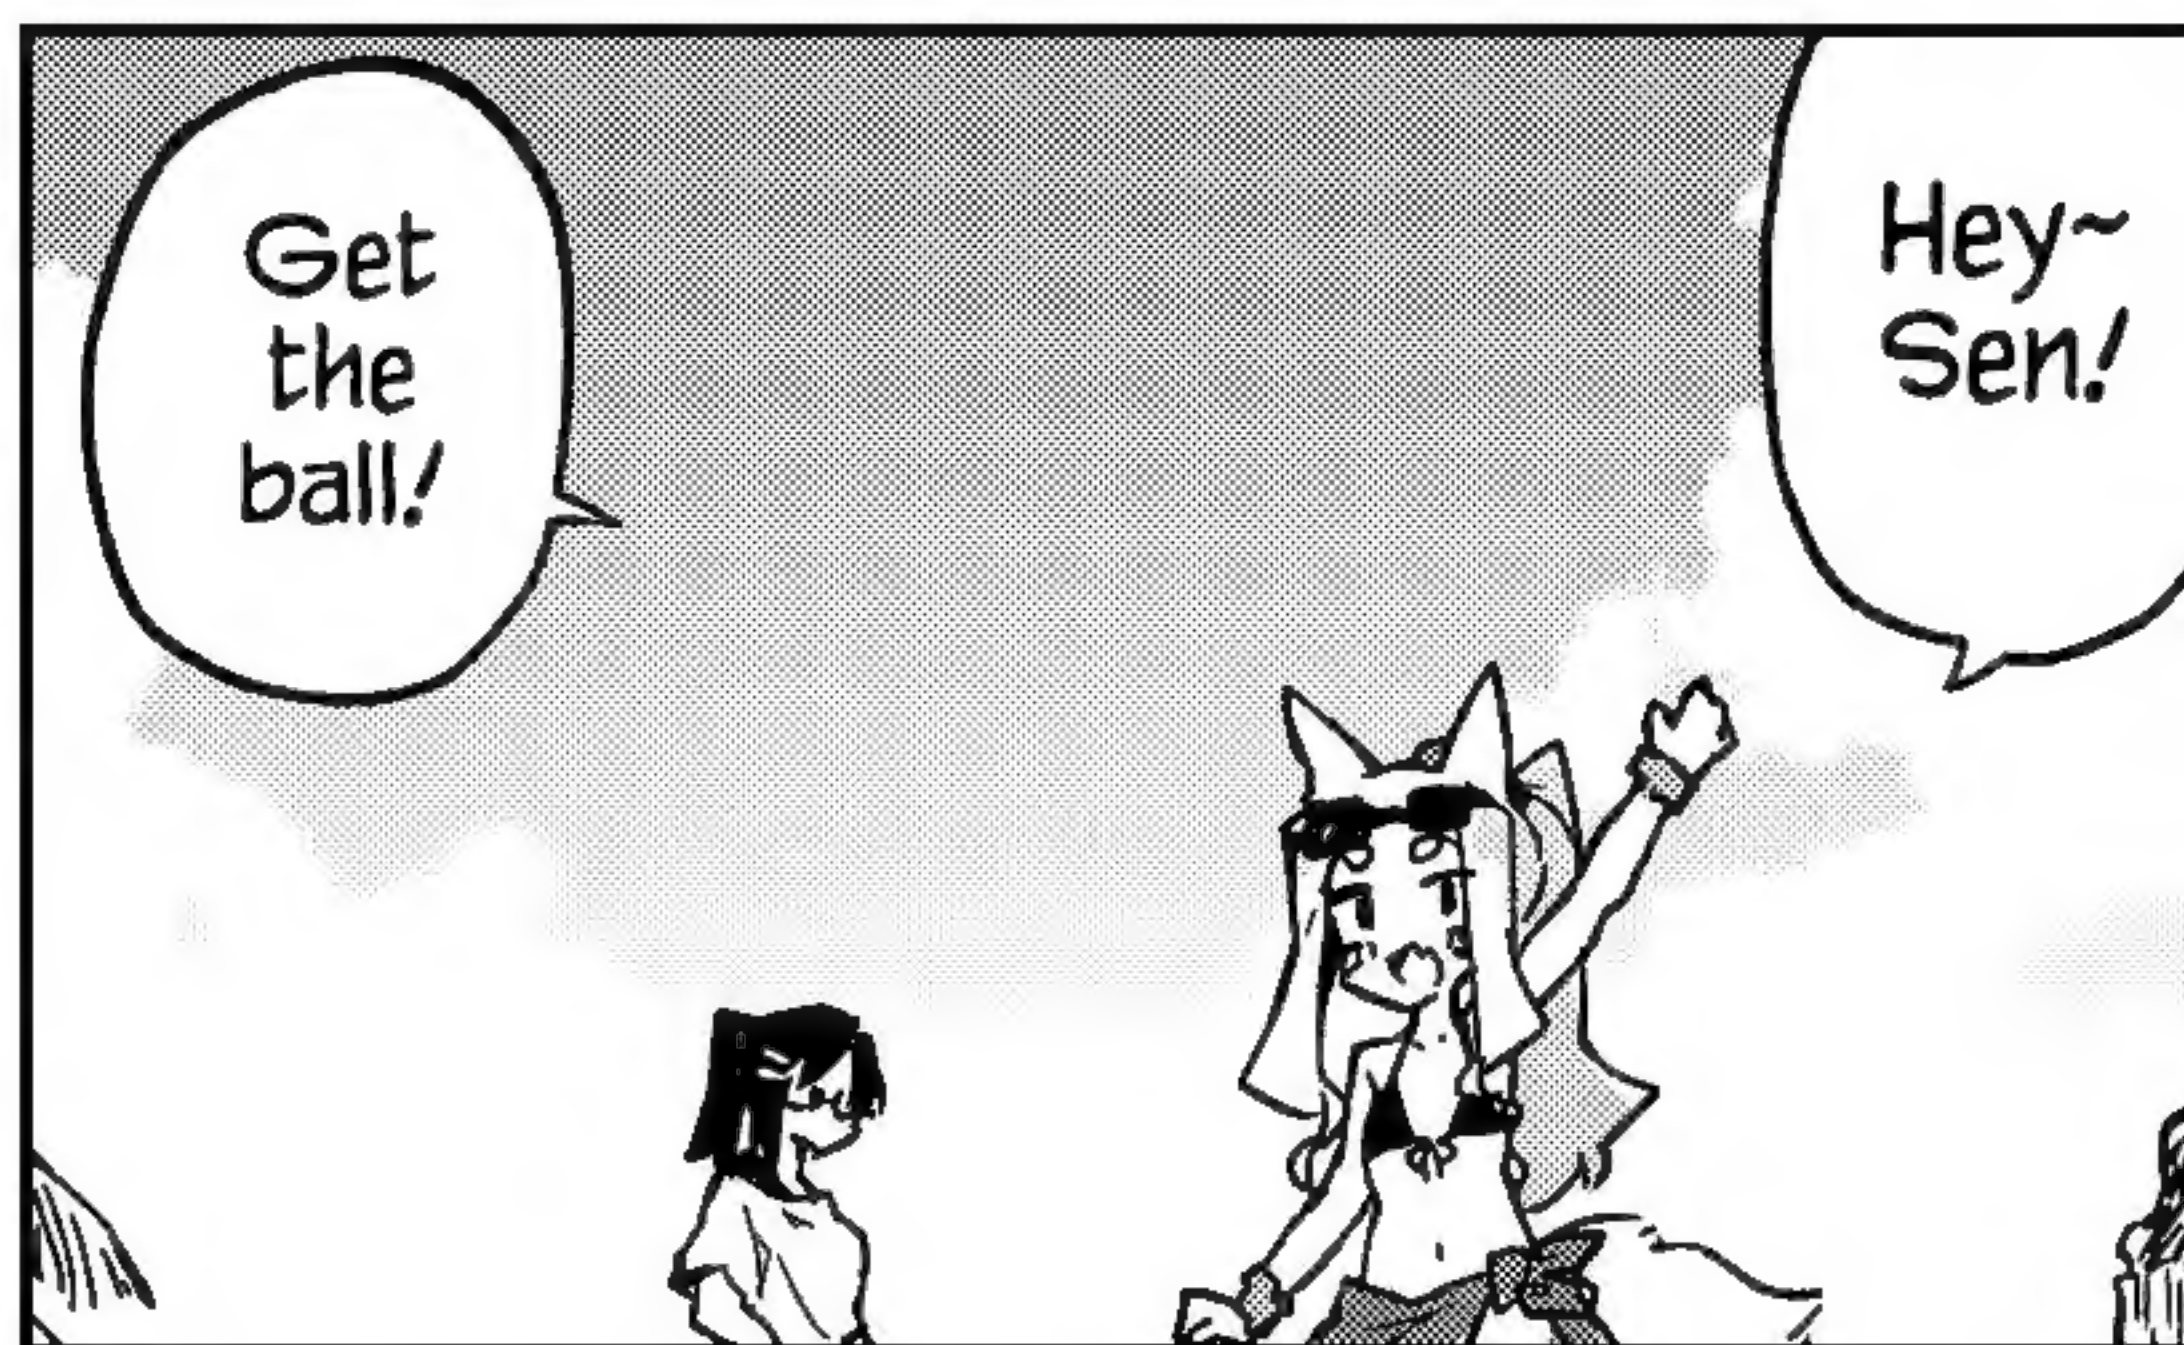

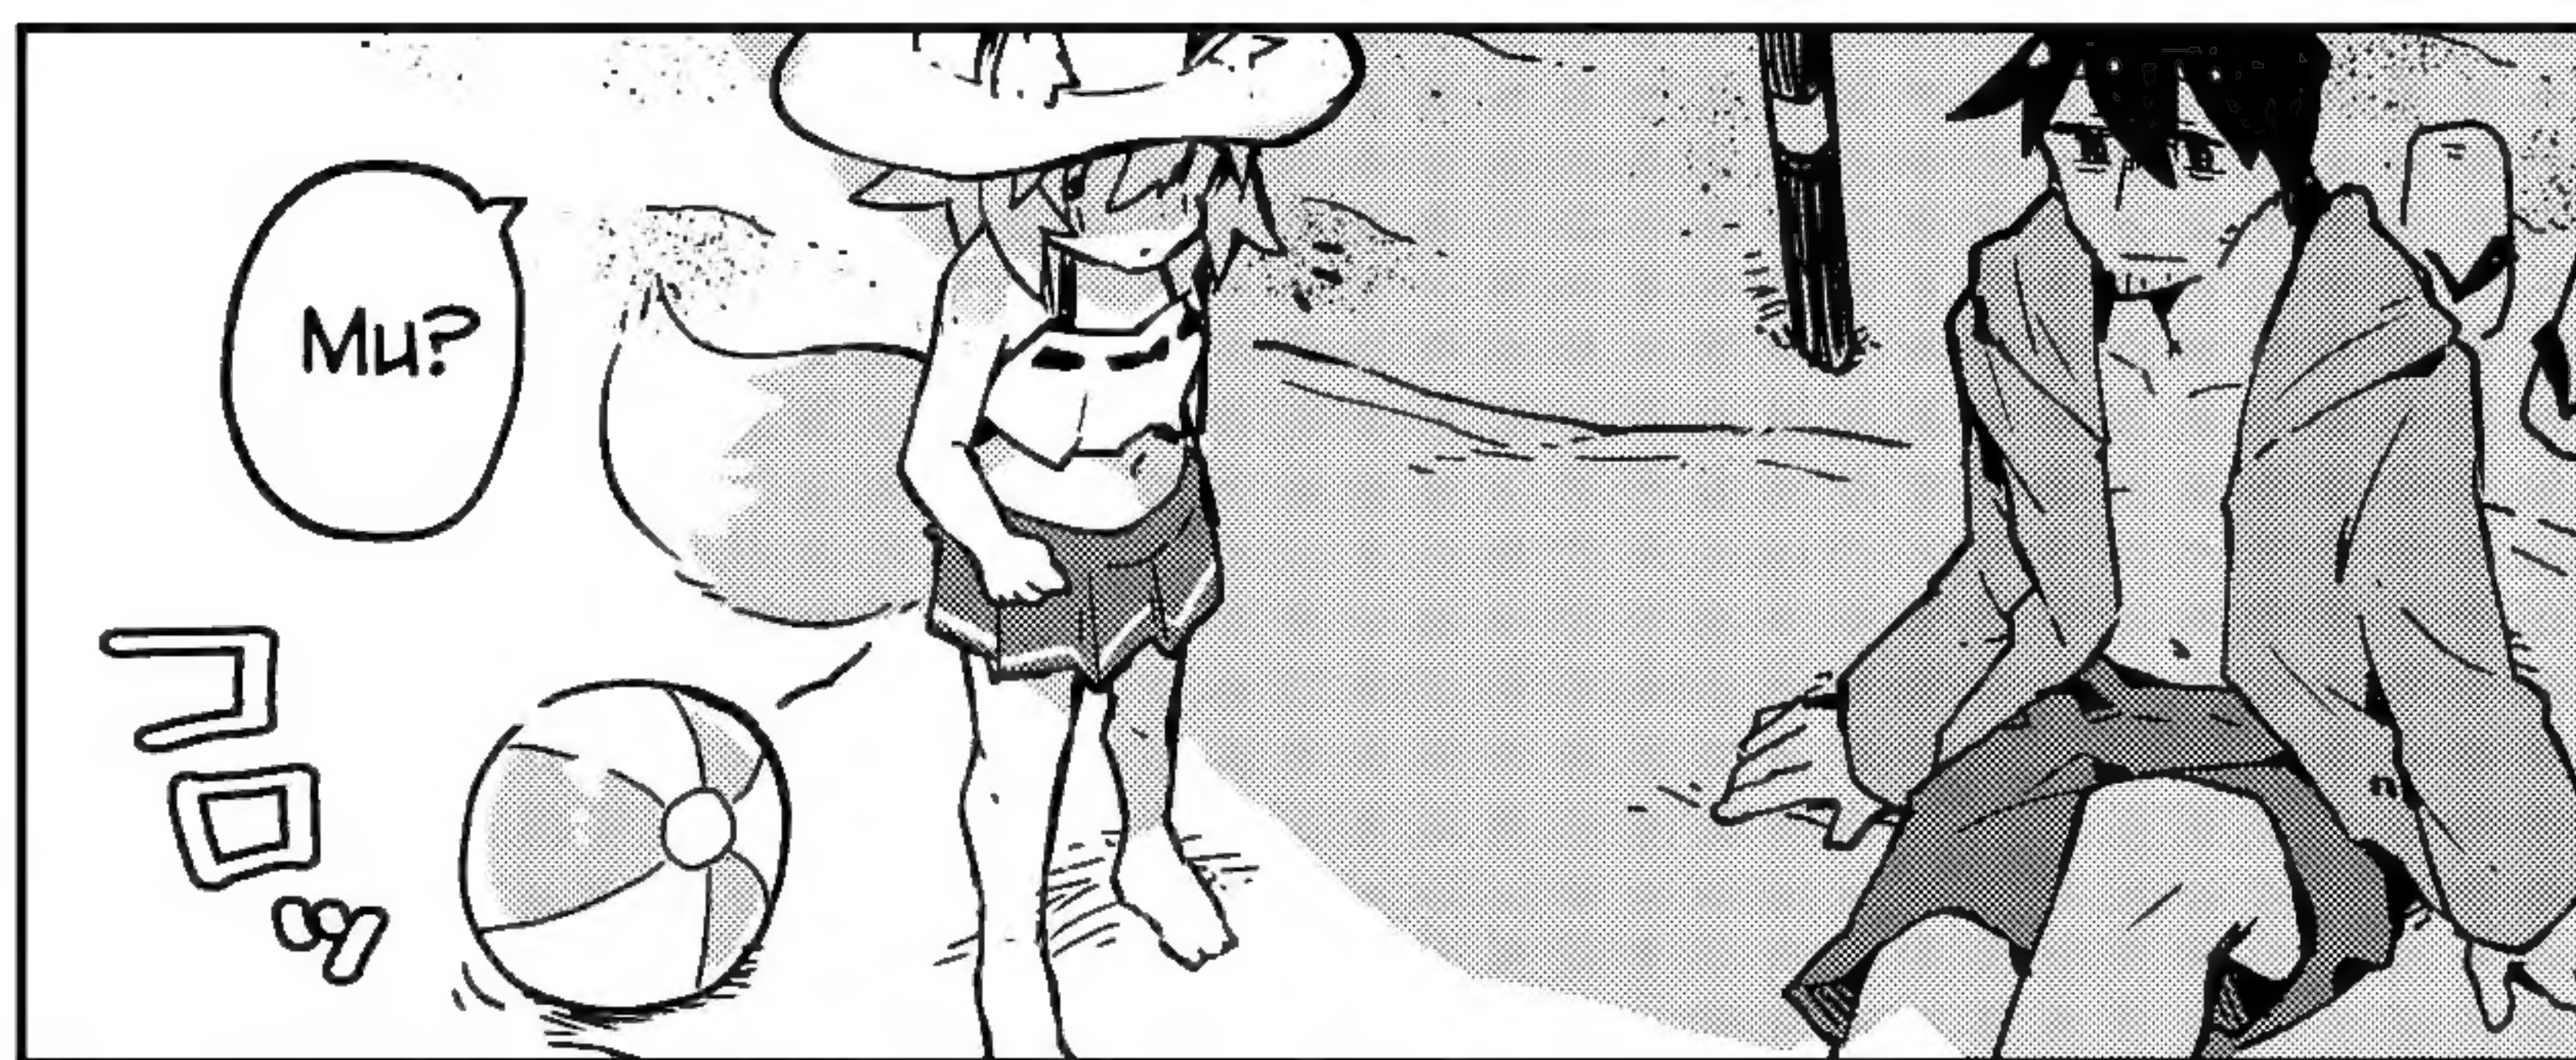

BECAUSE  
I HAVE A  
CUTE KITSUNE  
IN HER  
SWIMSUIT  
BY MY  
SIDE.

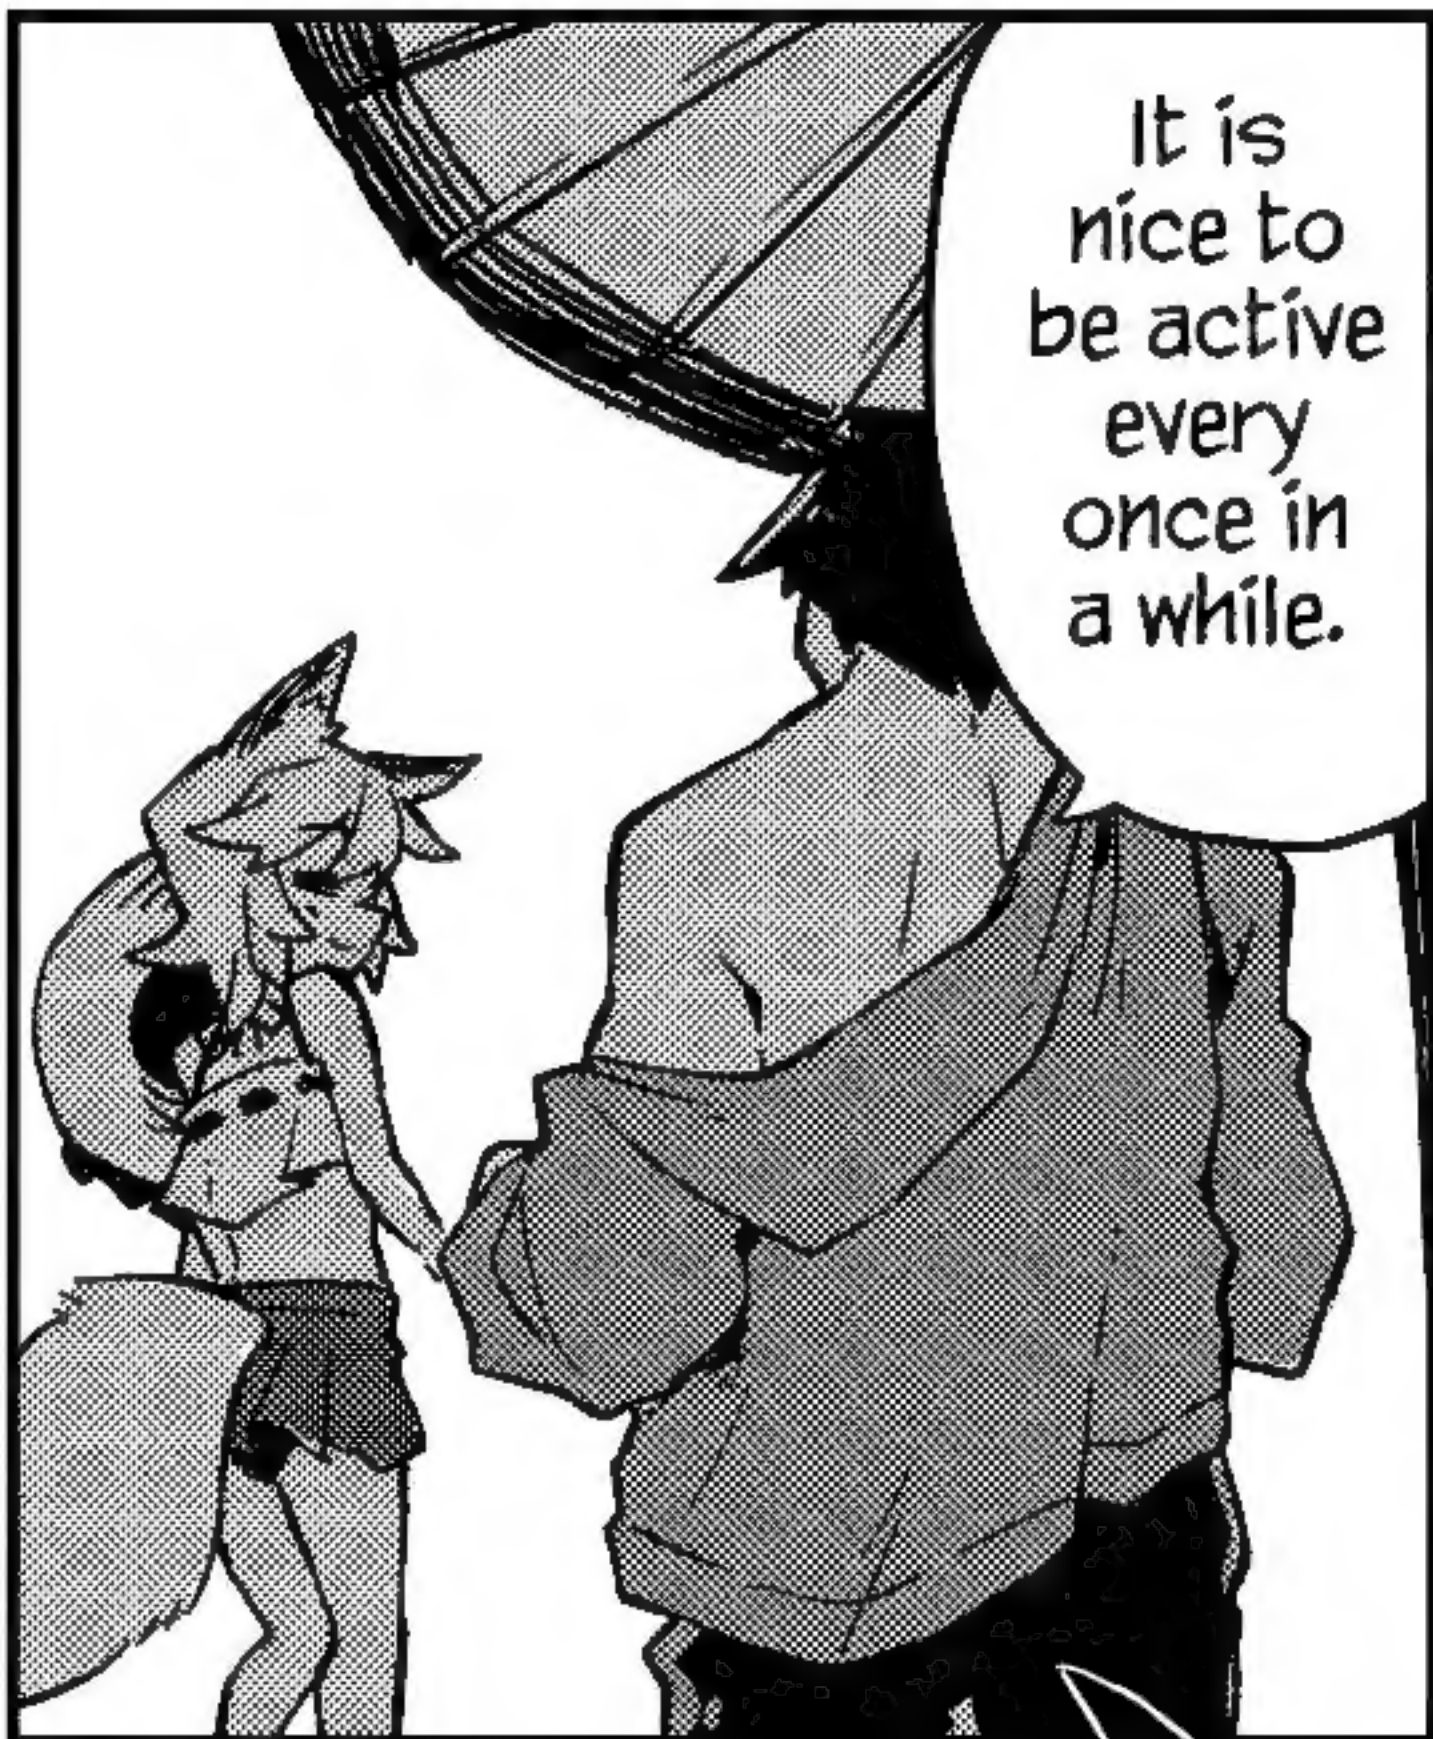

I'M SURE  
ANYTHING  
WE DO WILL  
BE FUN

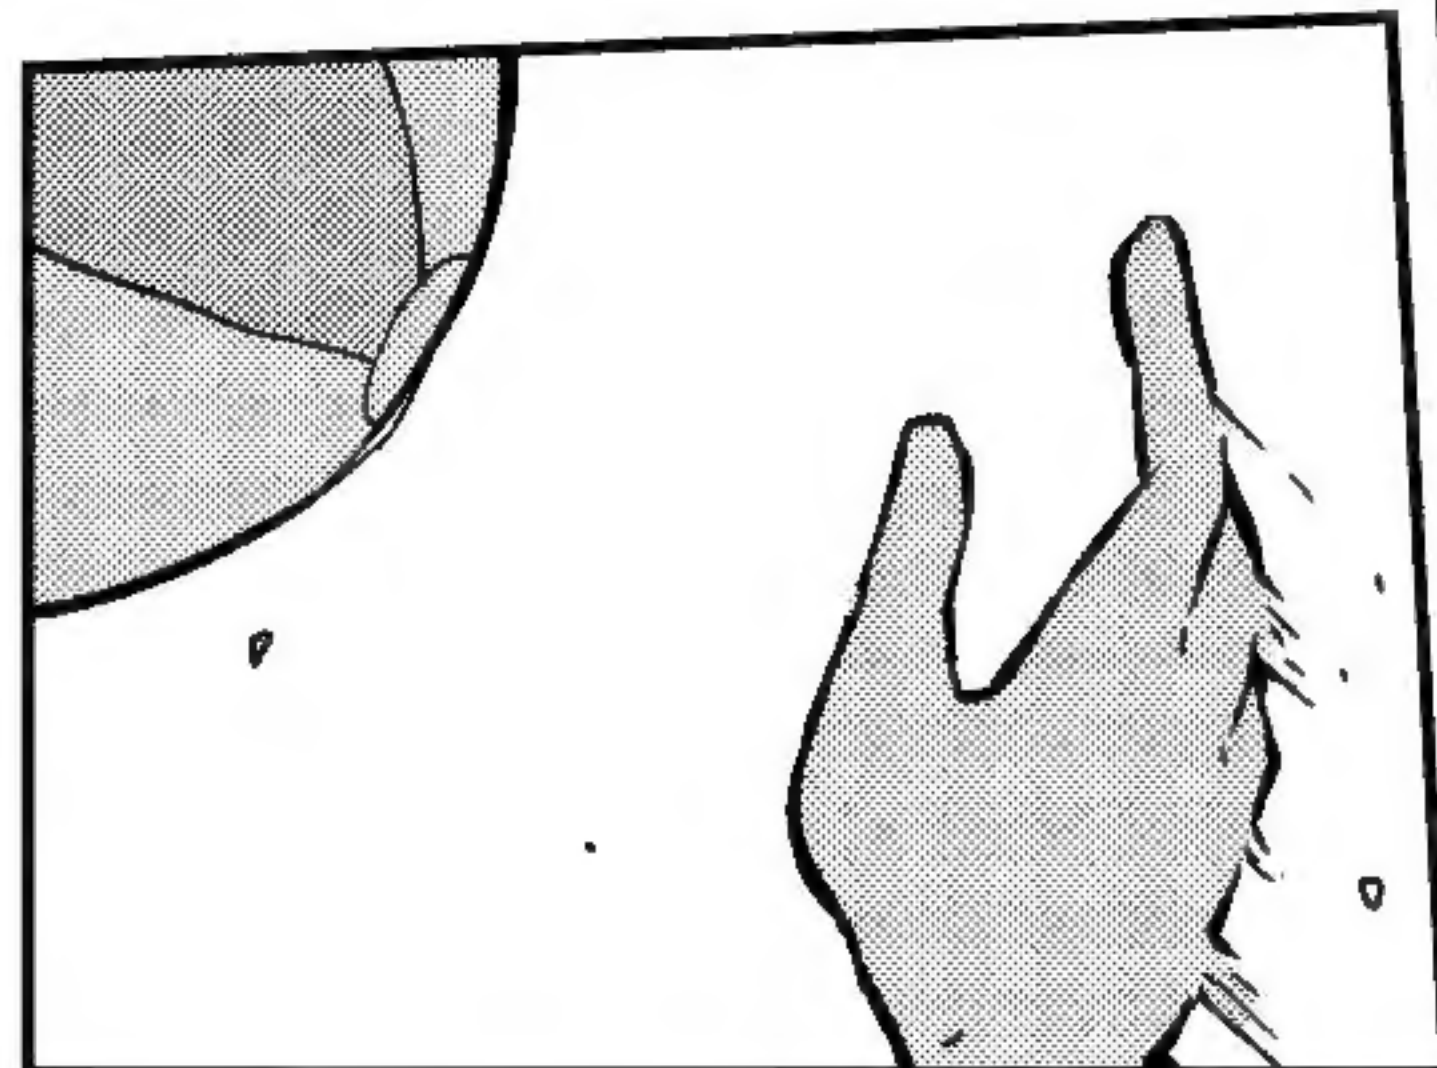

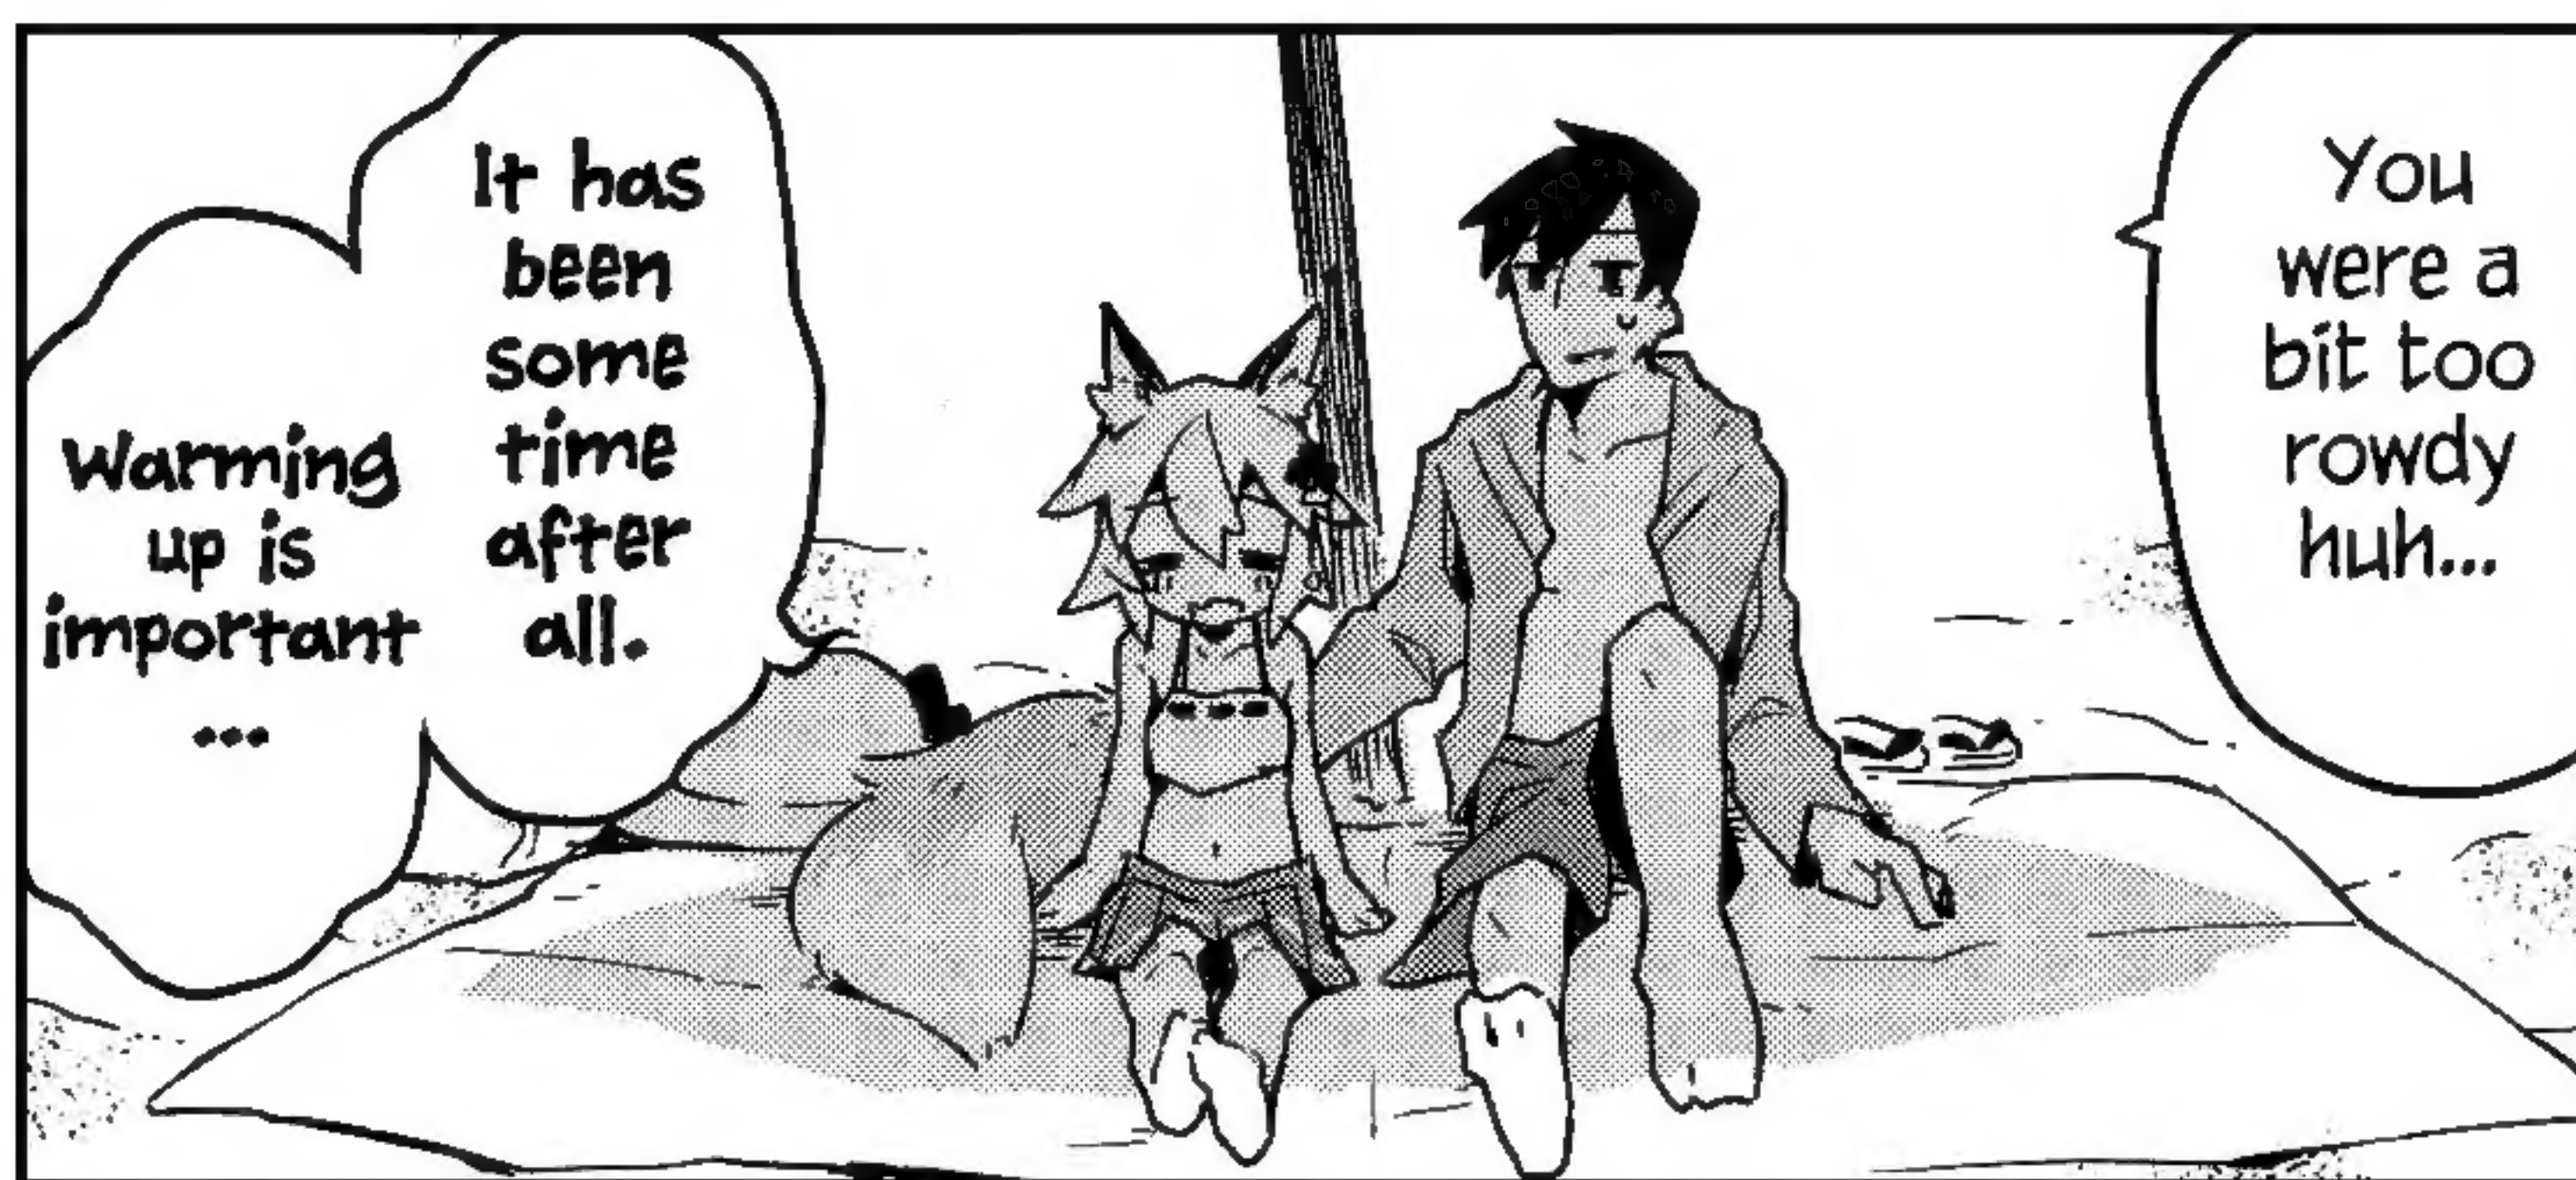

You mustn't push your body...(warning).  
And the vacation will continue next chapter, look forward to it!!
